

SIGN UP FOR ONLINE SERVICES ACCESS

Note: If at any point in the process buttons do not populate after selecting from a drop down menu, try hitting the “Tab” key on your keyboard.

An account with Online Services allows you to access sample and test information, request testing, view and pay invoices, and more. If you have questions while signing up for access, you may contact the Seed Lab at seedlab@oregonstate.edu or (541) 737-4464

Access the Online Services home page at: <https://w3.oscs.orst.edu/online/>

The link to create a new account is located on the left side of the page beneath the login fields.

The screenshot shows the Oregon State University Seed Services online registration form. The form includes fields for E-Mail Address, PIN, and For OSCS Use. It also features a CAPTCHA and a 'Login' button. A yellow arrow points to the 'Login' button, and another yellow arrow points to the 'Get an account here' link. Below the main form, there is a section for 'Current OSU Seed Services Client?' with a dropdown menu set to 'NO', a text area for 'If Not Current Client, Explain Purpose of Registering:', and a 'Login Info Delivery Method' dropdown menu set to 'Phone Call'.

You will be taken to a registration form. Fill out the information for your company in its entirety.

If you've already provided your company information to the Seed Lab, select “Yes” from the “Current OSU Seed Services Client” drop-down. Otherwise, select “No”.

In the “Explain Purpose of Registering” box, briefly state your reason for making an account, such as “Seed Lab customer”.

Select “Phone Call” from the “Login Info Delivery Method” to expedite receiving your login credentials. Otherwise, select “US Mail” and your login information will be mailed to the address you provided.

Click the CAPTCHA at the bottom of the page, then click the “Submit” button to submit your form.
